Educational Background

Please send separately a transcript of your college academic record from each institution from which you received credit. If you choose, you may discuss your academic record in your introductory essay.

Please note that you are responsible for arranging the transfer of credit from The Center for Northern Studies to your home institution, which has final authority in determining the acceptability of outside credit.

Please introduce yourself by writing a short essay (500 words +/-) on a separate sheet, explaining who or what influenced your decision to apply to The Center, and how you became interested in the field of northern studies. Also, please describe any prior field experience you have had, adding any additional information you think will be useful in making a decision on your application.

The information above is true and complete to the best of my knowledge.

Signed: _____ Date: _____

Disclaimer statement

Sterling College is accredited by the New England Association of Schools and Colleges.

In pursuing its mission, Sterling College will not discriminate against any person due to race, religion, national or ethnic origin, color, gender, or sexual orientation in its educational programs, admission requirements or scholarships.

Credits earned at Sterling College are transferable to other colleges and universities only at the discretion of the receiving institution.
