ESSAY

Please write an essay explaining how the Sustainable Agriculture Semester will build on your prior experiences and help you prepare for future pursuits.

FINANCIAL AID

All students are eligible to earn a portion of their tuition expenses through work. Applicants currently enrolled in college are encouraged to apply for financial aid through their home institutions.

All applicants must be in good health, agree to abide by the requests of faculty and staff, and, if not yet 18, have parental permission to participate in physically strenuous and potentially dangerous work and activities.

Special Note: It is neither feasible nor educationally desirable to have a faculty or staff member present in all activities undertaken by the student, including some that may have risks and inherent danger. Students not prepared to accept individual responsibility under these conditions should not apply for admission.

A non-refundable application fee of \$35 must accompany each application. Please make checks payable to Sterling College.
